

By-laws of the Club

These are the current **By-Laws of the Club** as extracted from Section 6 of the Club Handbook. Members and visitors are cordially requested to observed these by-laws at all times whilst attending the Club's premises.

- The use of mobile telephones by players is prohibited within the Playing Area.
- Players may not consume food or drinks, other than water, in the playing room.
- The sale of raffle tickets within Club premises is prohibited, except with the prior approval of the Management Committee.
- The Club notice boards shall be used only for matters pertaining directly to Club business or bridge activities and not advertising non bridge activities, other than those of Club sponsors.
- In keeping with both State and Local Government policy, smoking is banned in all parts of the Club building and courtyard. Smoking is therefore not permitted within 5 metres of the building.
