

# **INTERMEDIATE LESSONS: MAY / JUNE 2022**

**SOUTH PERTH BRIDGE CLUB  
with Fiske Warren**

## **SIGNALS IN DEFENCE**

**Tuesday 31<sup>st</sup> May (9.45 am to 11.45 am)**

Good defence depends on players sending signals to their partner with the small cards that they play. We will look at attitude signals, count signals and suit preference signals.

## **CUE RAISES**

**Tuesday 7<sup>th</sup> June (9.45 am to 11.45 am)**

In competitive auctions, we can bid the opponent's suit (known as a "Cue" Bid) to tell partner that we have a good raise of partner's suit. Very helpful in keeping the bidding low when partner has made a weak overcall.

No need to book in advance. No partner needed.

Just turn up and pay on the day. Each lesson costs \$15
