

## **BY-LAW RELATING TO COLDS AND FLU**

A member or a visitor who has symptoms of a cold or the flu may not attend the Club.

The Tournament Director is authorised to exclude any person from play at the Club if they display symptoms of a cold or flu, such as frequent coughing or sneezing, excessive nose blowing etc.

The person must leave the premises immediately if requested by the Tournament Director.

The Management Committee recognises that this may disrupt the movement and prevent the sick person's partner from playing, but providing a safe environment for members is a priority.

Approved by the Management Committee 18<sup>th</sup> August 2020.
