

Updated on 31st July 2020

Although there are few active cases of COVID-19 within WA, it is important to maintain sensible safety precautions including good hygiene, additional sanitization and physical distancing. Accordingly, we have made some changes to the way we do things. At some time in the future we may be able to go back to normal, but in the meantime we trust that members will accept the need for them.

All sessions at the club are now open to members and visitors.

The club will open 45 minutes before the start time of each session.

We ask that you arrive no later than 15 minutes before the start of the session.

Entry for day time sessions will be via the gate at the side of the building and exit via the usual door and playing room. Entry for evening sessions will be through the front door.

A condition of entry will be passing a health check. You will be asked to affirm that you do not have any symptoms of a cold or flu and neither have you been in contact with anyone with these symptoms in the past 14 days.

Table money will be paid in the foyer. Please bring exact money (ie a \$5 note + a \$2 coin) or a table money token. Supervised sessions: A token plus \$1 or cash a \$5 note plus \$2 and \$1 coins.

After payment, please use the hand sanitizer provided, and move directly into the playing room, collect your bidding box for the session and take your seat. Members who require a stationary seat must advise the TD on arrival and no other seats will be reserved.

You should try to maintain 1.5 metre social distancing from others on entering, exiting or moving around the club where possible. However it is not possible at the bridge table, so if you are not comfortable about this we suggest you stay away for the time being.

If you require a cushion, **please bring your own cushion** and take it home each day.

Hand sanitizer should be used each time you enter the playing room and the supper room.

During play	Only North will touch the bridgemate South should manage the board movement and North should not touch them, except to remove and replace their cards Players will take their bidding box to each table Hand sanitiser will be available for use at each players' discretion
Refreshments	There will be a tea break. Please keep your distance from others when queuing and at the urns The bar will be open after the session
Remember	Cups taken into the playing room must have a screw top lid and be spill proof. No food may be consumed in the playing room.

FINALLY We hope you enjoy returning to the club but please stay away if you feel unwell.
