

South Perth Bridge Club conducts Supervised sessions for players who have a rudimentary knowledge of bridge and feel they would benefit from playing duplicate bridge in a session where coaching on aspects of play and bidding can be sought from a friendly session director who will help you out with a smile!

Many supervised sessions will also include a pre-lesson talk by the Director. In such cases the talk will start about 30 minutes before the formal session time.

You don't need to bring a partner to a supervised session, we will find one for you.

Supervised sessions are fun, non-threatening and will help you build your skill and confidence.

These are the current Supervised Sessions conducted by the club:

Day	Start Time	Details
Tuesday	7:30 pm	Supervised session with David Burn
Wednesday	7:30 pm	Supervised session with Jan Howell
Thursday	9:30 am	Supervised session with Lyndall Steed

The current Session Fees for Supervised Sessions are:

Members	Visitors	Youth (under 26)
\$8.00	\$10.00	\$4.00

Note: Fiske Warren conducts bridge lessons for those who are interested. Attending classes will really help you out!
